The Rain Gently Falling

GentleMountainLion

(<http://www.geocities.com/Athens/forum/6214>)

Storm hinges above the Horizon

Action to be taken in haste

Dark clouds rolling over, rolling

Smell of rain rushes the dust

Wind is picking up, cool in its mist

Birds take to air, riding the currents

Air swirls and twists, moving past

Chorus

Rain is gently falling

By gracefulness cleans

All shines beneath touch

To this light all shall lean

Rain is gently falling

A new start to all life

Fresh, clean, pure is all

All shines anew in life

Trees whisper praises high

With uplift arms do magnify

With gentle brush bend knee

Flowers open, welcome the rain

Beauty blessed, thy blessed name proclaim

With Heaven's splendor, shine again

Repeat chorus 2x

Fast Forward
